

# IDT Web Portal - CMMT Science Stores

Orders placed via the IDT web-portal at CMMT Science Stores receive the following:

- No HST (for UBC clients)
- No Customs brokerage or associated fees
- Monthly billing on UBC speedchart for all purchases
- **FREE shipping. Pick up oligos at CMMT Stores**

NOTE: 96 and 384 well plates and bulk reagents always receive extra shipping charges starting at \$25.00.

## DNA Oligos in tubes and plates (price shown per base)

Synthesis Scale	Tubes	Plates
25 nmole	\$0.22	\$0.15
100 nmole	\$0.40	\$0.23
250 nmole	\$0.75	\$0.52
1 $\mu$ mole	\$1.50	\$0.79
5 $\mu$ mole	\$8.80	NA
10 $\mu$ mole	\$16.62	NA

### CUSTOM DNA SYNTHESIS

Mass spec QC on every oligo to verify accurate molecular weight and single peak in your end product. ISO 9001:2008 accreditation on all manufacturing.

## Other products available from IDT:

- PrimeTime qPCR Assays and Probes
- Ultramer oligos (up to 200 bases)
- Custom Gene synthesis
